Tony - Caught in a beautiful dream or a horrific nightmare?

Tony (Elliot): Hello, I am Tony. I had a good day. Man, I love school. Today, my friends and I took care of a boy. It was so funny to see him cry. At the end, we made fun of him and made many jokes! We called him fat because he is haha. That was so much fun that I still have to laugh about it! I'm pretty sure I'm going to do the same thing tomorrow!

Bullying other students makes me tired (YAWN). So, for now I'll go to sleep!

Deep voice (Benjamin): Good evening Tony, how are you?

Tony (Elliot): Woah, who said that? Is the TV still on? Okay, that is weird. Where is the TV? Why am I in a dark room with a black floor. Where are the walls to my room?

Deep voice: I have been watching you for a long time now, Tony.

Tony (Elliot): Are you my stalker? You cannot scare me! I am the bravest kid around!

Deep voice (Benjamin): Let me take you on a journey through time and space, space and time to teach you a lesson.

Tony (Elliot): Wait, what do you mean? Who are you?

I close my eyes and open my eyes again.

Dream 1: Bird flu

Chase (Ceci): Where am I now? What happened to my voice? Oh no, I am caught in another person's body.

All: Chase, run! The bird flu, the bird flu. It is spreading...

Chase (Ceci): I am running as fast as I can. I am starting to feel sad. My mum died in a car crash and my father left me to live in another country. He cannot help me. I am alone and living without money. I cannot buy food or drinks. I am not allowed to go outside.

So, I will sneak out of that flat and get something to eat at the bakery close by. But I don't have any money. I cannot steal anything again, can I? HAHA, just kidding! The bakery owner is so old and she won't know it was me anyway. That whole box of bread and chocolate cookies is so nice. I still remember that jewelry and old knife I stole from the expensive shop last time. I hid everything in my flat.

Sound of a loud knock

Chase (Ceci): Who is at the door? Is it you, dad?

Police officer (Aur lie): This is the police! Open the door!

Chase (Ceci): I haven't done anything, officer. I have to run away or the police will get me (WHISPER).

All: Chase, run! The bird flu, the bird flu. It is spreading...

Chase (Ceci): Cough, cough, I have to sit down on a chair. I am sleepy (YAWN).

Police officer (Aur lie): Chase, you are arrested for stealing and hiding illegal things in your flat. Tomorrow, you have to go to the court and explain everything.

Chase (Ceci): Cough, cough, I can't. I feel weak. I cannot move. I cannot breathe. My last wish is to write a letter.

Dear dad,

I miss you so much. I'm so sorry for what I've done. My only wish was to see you again. Mum died and I have never really met you. I still love you and I'm sorry for what I've done...

I close my eyes and open my eyes again.

Tony (Elliot): What was that? Am I alive?

Deep voice (Benjamin): Poor Chase. What a sad life.

Tony (Elliot): That is not my problem. What have I done to deserve that? I didn't do anything. It's not my problem that he got sick!

Deep voice (Benjamin): Are you sure?

Tony (Elliot): Yes! (SHOUT).

Deep voice (Benjamin): But I am not sure at all. Let me show you some more, then!

Tony (Elliot): Man, this is a hell of a long dream.

I close my eyes and open my eyes again.

Dream 2: Wonderworld

Tony (Elliot): Where am I now? Why is it so blue everywhere? Oh, there is an animal! Or not? It's a person or a kind of a blue person. Ah, it is coming closer! I've never seen that before.

Sonic (Rosa): Hello Tony, my name is Sonic. You are at the planet Neptune. Come with me. I will tell my king that we have a new guest.

Tony (Elliot): Wow, it's beautiful. The plants are so extraordinary.

Sonic (Rosa): Everything is blue and everybody is happy, happy together! Here is where the king lives. Let's go inside. Because everything looks so perfect, you will feel nothing bad inside of you—only happiness.

Sound of an alarm

Sonic (Rosa): OH, the alarm went on. There - a very big comet! It is coming closer and closer and might destroy our perfect world.

Tony (Elliot): Wait, do I still have dad's pistol with me? I can help with my pistol.

Sonic (Rosa): Try to hit the comet and it will explode.

Sound of explosion

Sonic (Rosa): You did it. YOU ARE A HERO! WE LOVE YOU!

Tony (Elliot): Everybody loves me! Why is it not like that in my world?

I close my eyes and open my eyes again.

Tony (Elliot): Hey, hey, deep voice. Why did you show me that?

Deep voice (Benjamin): Oh, you will understand later.

Tony (Elliot): Is there more?

Deep voice (Benjamin): There's always more (laughs out loud).

Tony (Elliot): Oh, no! (SHOUT)

I close my eyes and open my eyes again.

Dream 3: Titanic

Kristin: I am caught in another person's body again. Where am I now? I'm on the Titanic, it is rocking and I'm falling on the floor.

AHHH.

That really hurt. My hands are dripping in blood. How shocking is that? Is it getting worse?

The ship is breaking with a loud, scary noise and is sinking in a few hours.

Is there nobody to help? Hey, deep voice?

I am sliding from the ship right into that cold water. I can't swim. I can't breathe! There is water in my nose and my eyes! Water is everywhere. Help me! Help me!

Why has no one ever taught me how to swim? I realize how I'm getting quieter and quieter. I can't breathe and all is dark.

Then, someone grabs my arm and pulls me out of the water on a little ship. (Cough) I can breathe now! I'm so relieved! It's so cold but I am safe now! I'm alive!

I close my eyes and open my eyes again.

Tony (Elliot): I am shocked. Bad, good, bad - I don't understand.

Deep voice (Benjamin): You will understand!

Tony (Elliot): Why are you doing this to me?

Deep voice (Benjamin): To make you a better person.

I close my eyes and open my eyes again.

Dream 4: War

Sarah (Mathilda): The wind is howling, there is one crash, then another! Am I dreaming again? Or is, is this real? There are shrieks, screams and fire. I'm running down the street, my heart is pumping fast and loudly. I can see Christmas ornaments lying on the ground, broken, reflecting the flames.

I can't think clearly, but why?

Suddenly, I see a family (8 children) and no father. The woman, who's with the children looks really worried. I feel something I've never ever felt before - nice and welcoming. Then she gestures me to come with her with the words: "Hurry up, you don't want to die, do you? ", I nod and force a smile into my face: "No, no, no, no I don't want to die!" I feel like I'm lying This is no real smile.

A loud sound of propellers is coming nearer, everybody is starting to run to a big lonely looking house without windows, a swooshing noise and a streak of cold air. I close my eyes. Everything goes dark. Am I dead?

I close my eyes and open my eyes again.

Tony (Elliot): My head hurts. I cannot get the images of the family's pain out of my head. Are they ok?

Hey, deep voice, can we help them? I promise I'll be a better person, if you help them. PLEASE!!!

I close my eyes and open my eyes again.

Dream 5: Besperin

Benni: Wow, what a perfect world. Is this another planet? I am the only human being on this planet. I can see animals, green trees that grow food. Every food you want. There are lakes of chocolate. I love this planet. It is so beautiful. Now, I really don't want to wake up.

I walk to a building. It's very huge and it's red. It has two big doors. Maybe, I can push them open. Yes, it works. So many unicorns are in the building and they can talk. The tallest tells me:

Rosa: Hello and welcome to Besperin. On this planet you can do whatever you want. There are no rules. You can come to us when you have questions.

Benni: Ok, I think the planet's name is Besperin. Let me go out of the house. Oh, look at the wonderful path. I want to explore more of the planet because I have never seen something so beautiful before but...

I close my eyes and open my eyes again.

Tony (Elliot): Oh God, why did you wake me up? I was happy there!

Deep voice (Benjamin): Everyone is supposed to be happy in the real world!

Tony (Elliot): Finally, I wake up and I know what I'll do different for the rest of my life. I will apologize to every child that I bullied at school tomorrow and promise myself to be a better person from now on.

THE END
